

# Cecchetti Tryout Schedule

To the Parents of Students in Cecchetti Ballet,

This year, all tryouts will occur during regular class time, as indicated below. These tryouts are mandatory for all students. Students will receive feedback from teachers on specific areas that they need to work on in the performance of their grade level.

***Exam candidates must pay the examination fee on the day of the tryout.*** Payment will not be taken after **Saturday, March 3<sup>th</sup>** – any student who has not been entered by that date will not be eligible for the exam. Exams are scheduled by the Cecchetti Society of Canada and will occur late May/early June. Please note that these are international exams and as such, the schedule is not in our control – there will be exams during the weekdays.

Students selected for the exam, but requiring a contract due to areas of concern, must have their contract signed by a parent ***on the day of the tryout***. Teachers will notify parents ahead of time if there are areas of concern.

Please be aware that the Cecchetti Society of Canada requires that teachers only enter those students in exams who they feel are going to be successful. A teacher can have their qualifications revoked by the Society if the results of their students are continually weak. Therefore, only those students who we feel can successfully pass the exam will be entered.
