

RAD Tryout Schedule

To the Parents of Students in RAD Ballet,

This year, all tryouts will occur during regular class time, as indicated below. These tryouts are mandatory for all students. Students will receive feedback from the teachers on specific areas that they will need to work on in the performance of their grade level.

Exam candidates must pay the examination fee on the day of the tryout. We are required to have our entries to the RAD Society by November 24th; therefore we will be unable to accept any late payments. **If your payment is not received at the tryout, we will not be able to enter your student into the exams.**

Exams are scheduled to occur Feb 1st – March 18th, 2018 (this includes weekdays)

All students requiring a contract, due to areas of concern, must have their contract signed by a parent ***on the day of the tryout.*** The teacher will notify parents ahead of time if there are areas of concern.

Please be aware that the RAD Society of Canada requires that teachers only enter those students in exams who they feel are going to be successful and that they can have their qualifications revoked by the Society if their results are continually weak. Therefore, only those students who we feel can successfully pass the exam will be entered.
